

# MDEC Training for New Law Clerks

Join us for this half-day overview presented by the Department of Technology Education of the Judicial College. This course provides new law clerks in MDEC jurisdictions with essential information needed to support judges and their courts. Discover how to...

- ⦿ Access and utilize the MDEC case management system
- ⦿ Utilize Task Manager to support judges and their court
- ⦿ Review and annotate documents
- ⦿ Prepare case write ups and checklists
- ⦿ Print court dockets
- ⦿ Navigate and locate cases using Odyssey and Judge Edition

Thursday, September 6 from 1pm – 4pm

Friday, September 7 from 9am – 12pm

Look for an email with registration information coming soon.
